Operation Inherent Resolve  
APO AE 09306

---

Strike assessments are based on initial reports. All aircraft returned to base safely.

Separately, on October 15 near Aleppo, Syria, U.S. military forces conducted one airstrike against a network of veteran al Qaeda operatives, sometimes called the "Khorasan Group," who are plotting external attacks against the United States and our allies. This strike was previously reported as an ISIL strike

The strikes were conducted as part of Operation Inherent Resolve, the operation to eliminate the ISIL terrorist group and the threat they pose to Iraq, Syria, and the wider international community.
