FOR IMMEDIATE RELEASE

CJTF-OIR Strike Summary Feb. 10 - 23, 2019

SOUTHWEST ASIA – Combined Joint Task Force – Operation Inherent Resolve and its partners continue to target and pursue the enduring defeat of Daesh.

CJTF-OIR and its partner forces' operations are exerting pressure on Daesh senior leaders and associates, as well as degrading, disrupting and dismantling Daesh organizational structures throughout Iraq and Syria.

CJTF-OIR remains committed to the enduring defeat of Daesh to improve conditions for peace and stability in the region, and to protect all our homelands from Daesh's terrorist threat.

Strike Summary

Between Feb. 10 - 23, 2019, CJTF-OIR conducted 211 strikes consisting of 451 engagements against Daesh targets in Syria and Iraq.

In Syria, CJTF-OIR conducted 186 strikes consisting of 426 engagements, engaged 285 Daesh tactical units, and destroyed 189 fighting positions, 50 supply routes, 22 staging areas, 16 boats, 15 vehicles, six tankers for petroleum oil and lubricants, six aircraft operations areas, six vehicle borne improvised explosive devices, four command and control nodes, three weapons caches, three heavy machine guns, three pieces of engineering equipment, two buildings, two tunnels, one cave, one improvised explosive devices facility and one petroleum oil and lubricant storage facility.

In Iraq, CJTF-OIR conducted 25 strikes consisting of 25 engagements, engaged 19 Daesh tactical units, and destroyed 18 tunnels and caves.

Between Feb. 10 - 23, 2019, CJTF-OIR detected 342 strikes from other actors that crossed the Euphrates River Valley. CJTF-OIR is committed to avoiding and in every case minimizing civilian casualties; CJTF-OIR calls on all other actors in the area to observe the same precautions.

This Coalition strike release contains all strikes conducted by fighter, attack, bomber, rotary-wing, or remotely piloted aircraft, rocket propelled artillery and ground-based tactical artillery.

A strike, as defined in the Coalition release, refers to one or more kinetic engagements that occur in roughly the same geographic location to produce a single, sometimes cumulative effect in that location. For example, a single aircraft delivering a single weapon against a lone Daesh vehicle is one strike, but so is multiple aircraft delivering
